SPILLO, in its coffee table version, is extremely versatile in interior design projects. The wide range of configuration options, with 7 material categories for the tops and 12 powder-coated finishes for the structures, allows for maximum customisation. The tops and conical steel supports create an ensemble of exceptional visual lightness.

SPIILLO coffee - design 2012

SPILLO, nella versione coffee table, è estremamente versatile nella progettazione d'interni. Le ampie possibilità di configurazione, con 7 categorie di materiali per i top e 12 verniciature a polveri per le strutture, consentono la massima personalizzazione. Top e supporti conici in acciaio formano un insieme di estrema leggerezza volumetrica.

SPILLO, dans sa version table basse, est extrêmement polyvalent dans les projets d'architecture intérieure. Les vastes possibilités de configuration, avec 7 catégories de matériaux pour les plateaux et 12 finitions thermolaquées pour les structures, permettent une personnalisation maximale. Les plateaux et les supports coniques en acier composent un ensemble d'une grande légèreté visuelle.

SPILLO ist in der Couchtisch-Version äußerst vielseitig in der Innenraumgestaltung einsetzbar. Die umfangreichen Konfigurationsmöglichkeiten mit 7 Materialkategorien für die Tischplatten und 12 pulverbeschichteten Ausführungen für die Strukturen ermöglichen maximale Individualisierung. Tischplatten und konische Stahlstützen bilden ein Ensemble von außergewöhnlicher visueller Leichtigkeit.

SPILLO, en su versión coffee table, es extremadamente versátil en proyectos de interiorismo. Las amplias posibilidades de configuración, con 7 categorías de materiales para los sobres y 12 acabados con pintura en polvo para las estructuras, permiten la máxima personalización. Los sobres y los soportes cónicos de acero forman un conjunto de extraordinaria ligereza visual.
